

PLUS / MINUS GRADES AND TRANSFER ADMISSIONS

In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of B+ at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education "certified" by California community college(s) as per CSU Executive Order 1033.

Once established, the final examination schedule may not be changed unless approved by department and program chairs and the dean of the college. No make-up final examination will be given except for reason of illness or other verified emergencies. An instructor may not shorten the academic semester by scheduling an in-class final examination before the week scheduled for final examinations. No major examinations shall be given during the last week scheduled for instruction unless there is also to be a final examination at the time assigned in the Registration Guide. When the final examination is to be a take-home examination, it shall be due no earlier than the day scheduled for the final examination in that class. Department and program chairs and the deans of each college shall be responsible for ensuring that this policy is followed.
