CSU Fee Disclaimer

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Campus Wide Identification Number

Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus wide ID number (CWID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number for conducting university business and making academic inquiries.

English and Math Remediation

Each California State University is responsible for ensuring that students take the English Placement Test (EPT) and Entry Level Mathematics Examination (ELM) unless they are exempt from the requirement(s). Exemption information is on page 18-19. Transfer students who have completed general education English and Mathematics courses are exempt. Based on the test results, those students requiring remedial instruction will participate in the Early Start Program over the summer. If they do not complete remediation over the summer, those students requiring remedial instruction will be placed in the appropriate remedial classes during their first semester on campus. Successful completion of these courses will better prepare students to meet the challenges of their later course requirements. Degree credit is not awarded for remedial classes.

E-mail Address

Each student has been issued an e-mail address where university messages will be sent to you. For additional information about your e-mail account, contact 657-278-8888. Many campus offices have begun utilizing e-mail as the primary communication mode to the student. Be sure to check your CSUF e-mail account on a regular basis.

Mailing Address

You are required to keep your mailing address, e-mail address, and phone number current with the university to ensure that you receive all university communications. Your address can be updated online through your Titan Online Student Center. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. For additional information about parking permits, call Parking and Transportation Services at 657-278-3082.

Although this Registration Guide was prepared on the basis of the best information available at the time, all information including class meeting times and locations, faculty, course offerings and statements of fees is subject to change without notice or obligation. The university does not guarantee the availability of a particular course or section. Enrollment is permitted only until the maximum number of students in a section has been enrolled. This Registration Guide is published by the Office of Admissions and Records.

GRADUATE STUDIES

Cal State Fullerton offers outstanding opportunities for students to pursue a graduate degree. CSUF offers graduate degrees, including two doctoral programs, as well as nine programs entirely online. Please visit www.fullerton.edu/graduate for more information and a list of programs.

UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester well in advance of registration. Advisers in each major department and in the Academic Advisement Center (UH-123B) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT

Academic Advisement is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advisement Center in (UH-123B). Advising is offered on a walk-in basis Monday through Friday and all students must bring a recent printed copy of their Titan Degree Audit (TDA) to meet with an academic adviser.

CLASS ATTENDANCE

While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the semester.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings the first week (five class days). If a student decides not to continue enrollment in a class, either before or after instruction begins, it is a student's responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLOSED CLASSES

A departmental permit is required to add a closed class.

CONCURRENT ENROLLMENT

A student enrolled at the university may enroll concurrently for additional courses at another CSU campus only with advance written approval and by filing a concurrent enrollment form with the Office of Admissions and Records. Certain restrictions apply when a quarter-system campus is involved. Permission will not be granted when the study list in the proposed combined program exceeds units authorized for full-time study. Students may enroll concurrently at institutions outside the CSU system without special permission or forms.

CONTINUOUS ENROLLMENT - GRADUATE STUDENTS WITH MASTER'S DEGREE OBJECTIVES

A student with a graduate degree objective must maintain continuous enrollment (summer sessions and intersession excluded) until the degree is awarded.

A graduate student who finds it impossible to attend during a particular semester and is denied a formal leave of absence may register in Graduate Studies 700, which gives no units of credit and does not require class attendance. Registration in Graduate Studies 700 is restricted to classified or conditionally classified graduate students.

A graduate student who fails to register and who has not obtained approval for a formal leave of absence, has discontinued enrollment in the graduate degree program. If the student wishes to resume study, he or she must reapply for admission to the university and to the degree program.

End of Program Enrollment: students who have enrolled in all units required for the degree and are continuing to work on thesis, project or comprehensive exam preparation, are expected to maintain continuous enrollment by enrolling in GRAD 700 Continuous Enrollment (zero units) through regular registration or at a reduced fee through Extended...
Students may indicate the grading option for each course when they register. They have until the deadline published in the front cover of the registration guide to change an option. If grading for a course is listed as “Undergraduate Student Option”, the course can be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. Grade option changes can be made online through the second week of classes. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Letter Grade Only or CR/NC Only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading option. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. Limited courses with a grade of CR may be used for the master’s or doctorate degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

Advisory Caution
Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade and not a credit/no credit.

INCOMPLETE AUTHORIZED (I)
The symbol ‘I’ (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an IC symbol or an NC unless faculty member assigns a specific letter grade at the time the incomplete is assigned, which would replace the ‘I’ in the student’s record at the end of the one year deadline. Therefore, ‘I’ grades that were earned for the Fall 2016 semester must be completed by January 2, 2018. ‘I’ grades assigned at the end of the Spring 2016 semester must be completed by May 26, 2017.

The IC symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall file with the department, for future reference and student access,
Internships & Community Engagement (CICE) is located in LH-206, open Monday through Friday 8:00 a.m. to 5:00 p.m. Information is online at fullerton.edu/CICE.

LEAVE OF ABSENCE - UNDERGRADUATES AND POSTBACCALAUREATE UNCLASSIFIED GRADUATE STUDENTS

A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Students must be in good academic standing and must have completed 12 units at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without reapplying to the university and continue under the catalog requirements prior to the absence. Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave.

LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS

Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, which maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the state for completing specific credential requirements nor does it extend the time limit for completing the master’s or doctorate degree.

In the case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances.

Forms for requesting a leave of absence are available in the Graduate Studies Office (MH-112), or the Graduate Studies website: fullerton.edu/graduate. Students must be in good academic standing and must have completed at least six units toward the degree or credential in residence at this university in order to qualify for leaves of absence. Leaves must be submitted before the first day of classes.

Nondiscrimination Policy

California State University, Fullerton is committed to creating an atmosphere in which all students have the right to participate fully in its programs and activities free from unlawful discrimination, harassment and retaliation. California State University (CSU) Executive Order 1097, “Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students” was issued in response to the Campus Sexual Violence Elimination Act (the SaVE Act) and related guidance from the U.S. Department of Education, Office for Civil Rights, addressing Title IX of the Educational Amendments of 1972.
It is the policy of the CSU that no student or applicant for admission as a student shall, on the basis of protected status, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment or retaliation for exercising any rights under this executive order.

Discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 508 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, Title II of the Americans with Disabilities Act of 1990 and the Age Discrimination Act of 1975, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate CSU Executive Order 1097 may be subject to discipline. If employee discipline is appropriate it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies and legal requirements. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations and CSU Executive Order 1098, or any superseding executive order, if applicable.

OPEN UNIVERSITY ENROLLMENT

Open University Enrollment provides an opportunity for those not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes with appropriate approvals. Registration is on a space-available basis at the start of the semester. Information is available at www.ou.fullerton.edu. Open University students are required to consult with UEE Academic Advisers Suzanne Batista, sbatista@fullerton.edu (UH-123, 657-278-4280) or Margaret Luzzi, mluzzi@fullerton.edu (CP-100, 657-278-7644) prior to registering.

A maximum of 24 units earned through Open University may count towards the cumulative units required for a bachelor’s degree at CSUF. Credit earned through Open University may not be used to fulfill the residence requirements for a bachelor’s degree here at CSUF. For graduate degrees, normally 9 units may apply. Please consult the graduate department adviser. Disqualified (DQ) undergraduate students may not enroll in more than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

REPEAT POLICY

Grade Forgiveness (16-unit limit)

An undergraduate student may repeat up to 16 units of course work with ‘Grade Forgiveness.’ This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7), only the most recently earned grades and grade points shall be used in the GPA calculation for the first 16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus, and should request application of this policy after the course has been repeated. This is accomplished by submitting the appropriate form (available in Admissions and Records), after the end of the term in which the course has been repeated, so that the student’s grade point average can be revised.

Grades Averaged (12-unit limit)

An undergraduate may repeat up to 12 units of course work with ‘Grades Averaged’, beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student’s GPA.

Maximum Repeat Limit (28-units)

The 16 units of ‘Grade Forgiveness’ and the 12 units of ‘Grades Averaged’ comprise the maximum repeat limit of 28 units for an undergraduate student.

Regulation Against Repeat of Courses with ‘C’ Grade or Better

Undergraduate students may not repeat a course in which a grade of ‘C’ or better has already been earned. This does not apply to those courses noted in the university catalog as ‘may be repeated for credit’.

Regulation Against Repeat of a Course with an ‘I’ Currently on Record

A student may not re-enroll in a course for which he or she has received an ‘I’ until the ‘I’ has either been assigned a final grade, or been converted to an ‘TC’.

ACADEMIC DISHONESTY

Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned. An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentations for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designee may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor’s Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of the university catalog.

SEXUAL HARASSMENT/SEXUAL MISCONDUCT POLICY

It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment and sexual
misconduct of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and California Education Code Section 89535. CSU Executive Order 1097, CSU Executive Order 1096 “Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Employees and Third Parties and Systemwide Procedure for Addressing Such Complaints by Employees and Third Parties” and CSU Executive Order 1095 “Systemwide Sex Discrimination, Sexual Harassment, Sexual Misconduct, Dating and Domestic Violence, and Stalking Policy” prohibit sexual harassment within the CSU System. The University will not tolerate sexual harassment and will take action to eliminate such behavior. Information concerning campus sexual harassment policies and procedures can be obtained from Lori Gentles, Vice President for Human Resources, Diversity and Inclusion/Title IX Coordinator, CSUF, College Park, Suite 700, 657-278-8213; and Michelle Tapper, Compliance Officer/Title IX Administrator, CSUF, College Park, Suite 700, 657-278-4207.

USE OF BICYCLES AND SKATEBOARDS ON CAMPUS
The university’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President’s Directive No. 16. Please see http://directive16.fullerton.edu.

SOCIAL SECURITY NUMBER AND STUDENT IDENTIFICATION NUMBER
Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student’s account number. A student’s Titan Card number is not his or her identification number. Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or when appropriate (other than mail-in or drop-off registration) and cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY
The stop-out policy allows undergraduate students and postbaccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton. Service members who are called to active duty or deployed should check with veteran’s certification at 657-278-2373.

ADMISSION TO THE TEACHER EDUCATION CREDENTIAL PROGRAM

WITHDRAWAL LIMIT

Undergraduate students are limited to a maximum of 18 units of withdrawal ("W" on transcript) during their CSUF career, from Fall 2009 forward. "W"s earned prior to Fall 2009 will remain on the record but will not be counted toward the 18-unit limit.

WITHDRAWAL UNAUTHORIZED (WU)

University policy states that the symbol WU shall be assigned to a student who is enrolled in a class as of the census date*, but stops attending or participating, does not complete the course work and does not officially withdraw from the class. Students who discontinue course participation without filing an official, approved withdrawal form with the CSUF Registration Office shall be considered to have withdrawn unofficially from the course.

*The census date is approximately at the end of the fourth week of classes- please see the ‘Semester Calendar’ section in the online Registration Guide each term for the applicable census date.

When a WU is assigned, the grade option selected by the student at the time of registration for the course determines what displays on the student transcript:

- If the student registered for the class with a ‘letter grade’ option, the symbol on the CSUF transcript appears as WU, and is equivalent to an F in GPA calculations.
- If the student registered for the class with ‘credit/no credit’ option, an assigned ‘WU’ would be recorded as NC* which does not impact GPA calculations

NOTE: The grading option available for class depends on how the course is being offered. Some courses are offered as ‘letter grade only’, some as ‘credit/no credit only’ and some courses offer students a choice of either ‘letter grade’ or ‘credit/no credit’.

In the first semester at CSUF that a WU is assigned to student, any and all WU’s that are posted to the student record during the final grading period for that semester are automatically converted to a ’W’ during the grading cycle at the end of that term. The student is notified that this is a “one time only” provision. This auto-conversion will not occur a second time.

For future occurrences, students may petition for retroactive withdrawal from courses that have been assigned a WU or NC* by using the retroactive withdrawal petition process when serious and compelling circumstances occurred during the semester being petitioned. A serious and compelling reason is defined as a physical, medical, emotional or other condition which has the effect of limiting the student’s full participation in the class and which is clearly beyond the student's control. The student must provide independent documentation (from a source other than the student, or the student’s family or friends) to verify the serious and compelling circumstances that resulted in the student receiving a WU or NC*. There are also specific time limits for submitting retroactive withdrawal petitions. Petitions submitted beyond the time limits will require an explanation for the delay. Further information on these time limits can be viewed on line at: www.fullerton.edu/admissions - select ‘Current Students' tab, scroll down to the General Information heading and click ‘Petitions’.

All retroactive withdrawal petitions are individually reviewed and can be either granted or denied. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU will be removed from the GPA. Petition forms are available at the Admissions and Records Service Center (LH- 114) or online at the web site indicated above.

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may ‘withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt," until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register, or to receive official transcripts of grades, or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge reasonable attorney fees if litigation is necessary.
IV. Definitions

THE PRESIDENT’S DIRECTIVE NO. 17

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

I. Directive

The Family Educational Rights and Privacy Act (“FERPA”) and California State University Executive Order 796 (“EO 796”) afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedence.

II. Authority

III. Scope

This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or if accepted, do not attend the University.

IV. Definitions

A. Directory Information. A student’s name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, previous educational institutions attended and past and present participation in recognized activities. Directory information also includes weight and height if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a “legitimate educational interest” if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including law enforcement unit personnel and health staff; an individual or entity with whom the University has contracted to act for the institution or to provide services the institution would otherwise perform for itself, such as an attorney, auditor or collection agent; an individual, including a student, serving on a CSU System or University committee, such as a disciplinary or grievance committee or assisting another school official in performing their professional responsibility.

V. Implementation

A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV. A), depending on the nature of the request and depending on the release category selected by a student. Students may choose to limit the release of their Directory information as described below:

1. Permit release of all Directory information. Unless restricted by a student, the University may release a student’s Directory information at any time to any requesting party, including the military and for the development of University-affiliated marketing programs. This is the default category for release of information.

2. Permit release only “Verification” information. This sub-category of Directory information consists of a student’s name, class level, enrollment status, major(s), minor(s), degrees and awards received, dates of attendance and University-recognized e-mail address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

B. Students wishing to review their education records must make a written request to the Vice President for Student Affairs. Requested education records as defined by FERPA will be made available for review within 45 working days of the request. Reasonable charges for copy costs will be applied.

C. The University notifies students of their FERPA rights in its course catalog, university website and annually via electronic mail.

D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President for Student Affairs, Langsdorf Hall 805 or The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C., 20202-4605.

VI. Accountability

A. The University will review bi-annually its information practices concerning student records to assess its compliance with FERPA, CSU Executive Order 796 and this directive. The Vice President for Student Affairs is responsible for ensuring the completion of these reviews.
B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.

C. Individuals who violate this directive are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures.

D. The contact for questions concerning this Directive is the Vice President for Student Affairs or his/her designee.

Reviewed and approved by President Milton A. Gordon on March 17, 2011.

In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of B+ at...
Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units. 

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education “certified” by California community college(s) as per CSU Executive Order 1033.

**FALL 2016 FINAL EXAMINATIONS**

Students in classes scheduled at hours listed below will take the final examination in regular class meeting rooms on the day and hour indicated. Final examinations are scheduled for one hour and 50 minutes unless special arrangements are made by the instructor with the dean of the college. If the class meets daily, the final will be given using the Monday, Wednesday, Friday schedule. Students in classes that do not meet during the exact times shown shall check with their instructor regarding the date and time of their final examination. Students should consider the final examination schedule when selecting courses.

"Take-home" and On-line only Final Examinations

Students taking courses, whether face-to-face or in an online format, for which there is a take-home final exam must complete the final exam by no later than 5pm on Friday, December 16, 2016. Instructors of on-line courses shall indicate in their syllabus when the final exam is in person or take-home. Take-home final exams in an online environment cannot be scheduled for a specific block of time on a specific day. Students should contact the instructor as soon as possible to arrange an alternate final exam period if there is a conflict with the final exam of another CSUF course.

**UNIVERSITY POLICY ON FINAL EXAMINATIONS**

Final examinations, if required by the instructor, will be given at times scheduled by the university. Once established, the final examination schedule may not be changed unless approved by department and program chairs and the dean of the college. No make-up final examination will be given except for reason of illness or other verified emergencies. An instructor may not shorten the academic semester by scheduling an in-class final examination before the week scheduled for final examinations. No major examinations shall be given during the last week scheduled for instruction unless there is also to be a final examination at the time assigned in the Registration Guide. When the final examination is to be a take-home examination, it shall be due no earlier than the day scheduled for the final examination in that class. Department and program chairs and the deans of each college shall be responsible for ensuring that this policy is followed.

**ENTRY LEVEL MATHEMATICS EXAMINATION (ELM)**

All new undergraduate students entering the California State University are required to take the Entry Level Mathematics Examination (ELM exam) except those students who qualify for exemption as described below. The ELM is a basic skills examination that will determine if you are prepared for college level courses that require a reasonable amount of mathematics. If you are not exempt, you must take the ELM prior to your enrollment in the university. Failure to take the ELM exam (or become exempt) prior to your first semester will cancel your registration eligibility for classes. **The deadline to take the EPT test is May 7, 2017. If you score less than 147 on the EPT:**

To be exempt from the English Placement Test requirement, students must present proof of one of the following:

- Placement in the “Ready for CSU college level English courses” or “Ready for CSU college level English courses- Conditional” categories on the Early Assessment Program (EAP) English
- A score of 460 or above on the Critical Reading section of the College Board SAT Reasoning Test
- A score of 19 or above on the ACT English test
- A score of 3 or above on either the Language and Composition or Composition and Literature examination of the College Board Scholastic Advanced Placement Program
- Completion and transfer to the CSU of the credits for a college course that satisfies the CSU General Education requirement in English Composition, provided such a course was completed with a grade of C or better.

1. **CSUF compliance policy requires that you enroll in one of the pre-approved classes (as described below) either during the summer before your first term or in your first semester of enrollment in approved classes. Failure to complete the requirement successfully in two semesters will result in student disenrollment.**

2. You must participate in the Early Start Program by the beginning of the remediation process the summer before your first term (see Early Start Program).

- Students who score 138-146 on the EPT or did not meet the conditions of their Conditional English Exemption from the EAP SAT or ACT must take ESE 100/100W, ESE 99, or ESE 80 in the summer. However, you are strongly recommended to take ESE 100/100W (if either exempt from ESP Math or MATH 45 eligible). Passing this course will allow you to complete your remediation requirement and your GE writing requirement before the fall term begins.
- Students who score less than 138 on the EPT must take ESE 99 or ESE 80 in the summer. However, you are strongly recommended to take ESE 99 and complete your remediation requirement before the fall term begins.
- Students who take ENG 99 in Fall 2016 are required to make one appointment with an ILE counselor by November 1, 2016. Please contact the INTENSIVE LEARNING EXPERIENCE office in UH-143 or phone 657-278-7236.

The English Placement Test (EPT) is given in conjunction with the Entry Level Mathematics (ELM) exam. Students may take the test(s) at the most convenient CSU campus. Online registration is available at [ets.org/csu](http://ets.org/csu). Go to the CSU EPT/ELM Information Bulletin at [ets.org/csu](http://ets.org/csu) for a complete list of EPT and/or ELM test dates, online registration procedures and test fee information.

**ENTRY LEVEL MATHEMATICS EXAMINATION (ELM)**

All new undergraduate students entering the California State University are required to take the Entry Level Mathematics Examination (ELM exam) except those students who qualify for exemption as described below. The ELM is a basic skills examination that will determine if you are prepared for college level courses that require a reasonable amount of mathematics. If you are not exempt, you must take the ELM prior to your enrollment in the university. Failure to take the ELM exam (or become exempt) prior to your first semester will cancel your registration eligibility for classes. **The deadline to take the ELM test is May 7, 2017. If you score less than 50 on ELM:**

To be exempt from the Entry Level Mathematics test requirement, students must present proof of one of the following:

- Early Assessment Program (EAP) result of “ready for CSU college level math courses”
- Early Assessment Program (EAP) result of “ready-conditional for CSU college level math courses”.
- A score of 490 or above on the Math section of the College Board SAT Reasoning Test
- A score of 550 or above on a College Board SAT Subject Test in Mathematics (levels 1 or 2)
- A score of 20 or above on the ACT Math Test
- A score of 3 or above on the College Board Advanced Placement Calculus AB or Calculus BC exam
- A score of 3 or above on the College Board Advanced Placement Statistics examination
- For transfer students, completion and transfer to the CSU of a college course that satisfies the general education requirement in Quantitative Reasoning, provided such a course was completed with a grade of C or better.

A passing score of 50 or above on the ELM exam allows a student to register in a required university general education mathematics course.

Students who score below 50 on the ELM exam must complete an Early Start Math (ESM) course during summer 2016. ESM 20, a one-unit online course, will fulfill this mandatory early start requirement, but it does not advance a student in the fulfillment of the math remediation requirements. To progress towards a completion of these requirements, students are strongly encouraged to take the following ESM courses depending on their ELM exam score:

- ELM score 36 to 48: take either ESM 40 or ESM 45 in the summer. Successful completion of either of these courses will fulfill your math remediation requirements and you will then be required to enroll in a GE math class in the fall. If ESM 40 or ESM 45 are not successfully completed in the summer, or you complete ESM 20 instead, you will be required to take MATH 40 or MATH 45 in the fall semester.
- ELM score 32 to 48: take ESM 40 in the summer. Successful completion of this course will fulfill your math remediation requirements and you will then be required to enroll in a GE math class in the fall. If ESM 40 is not successfully completed in the summer, or you complete ESM 20 instead, then you will be required to take MATH 40 in the fall semester.
- ELM score 30 or below: take ESM 30A in the summer. Upon successfully completing this course you will be required to take MATH 30B in the fall semester. If ESM 30A is not successfully completed in the summer, or you can complete ESM 20 instead, then you will be required to participate in the Intensive Learning
Experience (ILE) program by enrolling in MATH 30A in the fall semester and MATH 30B in the spring. Any student enrolled in MATH30A/MATH30B in the fall semester must make one appointment with ILE by November 1, 2016. Contact ILE in UH-143 or call 657-278-7236.

Failure to complete your math remediation requirements within two semesters will result in you being disenrolled.

The Entry Level Mathematics (ELM) is given in conjunction with the English Placement Test (EPT). Students may take the test(s) at the most convenient CSU campus. All CSU campuses now have online registration available. Go to www.ets.org/csu for a complete list of ELM and/or EPT test dates, registration procedures and Testing Center contact information for all CSU campuses.

If you have any questions about being exempt from the EPT or ELM exam, check with the Admissions and Records Service Center, LH-114 or call 657-278-7601.

**MATH GE REQUIREMENTS FOR AY 2016-17**

All incoming freshmen who have obtained a passing score on the Entry Level Mathematics (ELM) exam, or who have an exemption from the ELM exam, are required to take a class that meets the Math GE requirement (B.4) during their first year. Furthermore, students in the following degrees/programs must complete this requirement by enrolling in a specific GE math class (or prerequisite class) that is part of their academic major or minor during their first semester:

- Biological Science (B.S.)
- Biochemistry (B.S.)
- Chemistry (B.S./B.A.)
- Civil Engineering (B.S.)
- Computer Engineering (B.S.)
- Computer Science (B.S.)
- Earth Science (B.A.)
- Electrical Engineering (B.S.)

Students who successfully complete one of the Early Start Math courses ESM 40 or ESM 45 will also be required to enroll in a Math GE course in their first semester.

In order to ensure that students with specific major-related math requirements are able to progress through their degrees in a timely manner, enrollments during New Student Orientation in Math 115 – College Algebra and Math 125 – Precalculus will be restricted to the majors listed in the following table:

<table>
<thead>
<tr>
<th>Course</th>
<th>New Student Orientation Priority</th>
</tr>
</thead>
<tbody>
<tr>
<td>Math 115</td>
<td>Biochemistry, Biological Science, Geology, Pre-business, Nursing, Health Science, and Kinesiology Majors</td>
</tr>
<tr>
<td>Math 125</td>
<td>All CECS and CNSM majors; Health Science and Kinesiology Majors</td>
</tr>
</tbody>
</table>

Although Kinesiology and Health Science majors are not required to take a Math GE class in their first semester, they will be allowed to register in Math 115 or Math 125 during New Student Orientation.

Once New Student Orientation is complete the restrictions will be lifted and any remaining seats will be open to students from all majors.

Incoming freshman who have not obtained a passing score on the Entry Level Mathematics (ELM) exam and have not successfully completed either ESM 40 or ESM 45 during the summer, must complete their remedial mathematics requirements in the first year of enrollment at CSUF and then progress to an appropriate GE math course.

**DEPARTMENT PLACEMENT EXAMS**

**CHEMISTRY 120A ENROLLMENT REQUIREMENTS**

All students planning to enroll in Chemistry 120A General Chemistry are required to take the Chemistry Placement Exam (CPE) or have completed Chemistry 115: Introduction to General Chemistry or its equivalent, verified with an official transcript, with a grade of C or higher.

In addition, all students enrolling in Chemistry 120A must be exempt from or have passed the Entry Level Mathematics (ELM). You must meet these prerequisites to be eligible to enroll in CHEM 120A.

**CPE DESCRIPTION:**

The CPE may be taken only once a year. Test scores are valid for three consecutive semesters.

You will have 45 minutes to complete the Chemistry Placement Exam (CPE). The CPE consists of 44 multiple-choice questions addressing basic concepts in arithmetic, algebra and high school chemistry. In scoring the test, only correct answers will be counted. A Periodic Table of elements and a table of abbreviations and symbols are provided in the test book. You may need them for some questions. All other data are given in the questions. Calculators are permitted but not essential. Cell phones are NOT allowed.

BRING number 2 pencils with erasers and a nonprogrammable scientific calculator to the test session.

Test results will be sent by email and posted outside the Department of Chemistry and Biochemistry, located in McCarthy Hall - room 580, approximately one week after the test. The Department of Chemistry and Biochemistry will not give scores over the telephone.

To validate your knowledge you may take the Computer Science Placement Examination to waive one or more of these courses. The test may be taken only once. Test scores are valid for two consecutive semesters.

Arrive for instructions 10 minutes before test begins. Bring pencils and eraser. There is no fee and you do not need to pre-register, but picture identification is required.

Test Dates Time Location
Monday, July 11, 2016 1-3 p.m. CS-506
Wednesday, August 17, 2016 1-3 p.m. CS-506

If you take the placement exam and receive a waiver in one or more of these courses, you will have to take additional elective course work to satisfy the 124 unit graduation requirement. For examination policies and results, please contact the CS Department Office, CS-522, or call 657-278-3700.

MATHEMATICS QUALIFYING EXAMINATION (MQE)

All students planning to enroll in Mathematics 130, Short Course in Calculus; Mathematics 135, Business Calculus; Mathematics 150A, Analytic Geometry and Calculus must take the Mathematics Qualifying Exam (MQE) or have a department-approved exemption. No student will be enrolled in these mathematics courses unless he or she has already passed the MQE or is exempt. The examination scores are valid for two consecutive semesters. You must pass the MQE or be exempt before you can register for any of the above courses.

- For MATH 150A
  A “C” or better in MATH 125 or equivalent course.
- Any score of the AP exam for Math sections A&B or B&C.
- One semester of high school calculus with a C or better.

If you have taken an equivalent math course at another college, you must submit a copy of your transcript or course grade, a course description and a course syllabus to the Mathematics Department prior to registering for classes.

To register for the MQE, complete the MQE registration form, go to Student Financial Services, UH-180 (Cashiers) and pay the $3 test fee by the registration deadlines shown. You will be emailed a confirmation ticket approximately one week prior to the test. Stand-by registration on the day of the exam is allowed on a space-available basis. UPPER-DIVISION BACCALAUREATE WRITING REQUIREMENT

UPPER-DIVISION WRITING COURSES AND JUNIOR LEVEL EXAMINATION IN WRITING PROFICIENCY (EWP)

The university requires that all students completing bachelor's degrees under 1980-81 and later catalog requirements demonstrate writing ability acceptable for graduation. To meet the upper-division writing requirement you are required to either pass a specially designated upper-division course of at least three semester units or pass two or more approved courses for a total of at least six units.
Course
The University Committee on Writing Proficiency must certify the course or courses that each major department designates to fulfill the requirement. Departments and programs may specify either a single course of at least three units which involves intensive instruction in writing or two or more courses (a total of at least six units) in which you are required to write one or more lengthy papers or several shorter ones, which involve the organization and expression of complex ideas. In these courses, you will be given careful and timely evaluations of your writing and suggestions for improvement. An assessment of your writing competence will be included in determining your final course grade. You must pass these courses with a grade of C or better.

GENERAL EDUCATION REQUIREMENTS

General Education courses are required at CSUF as a necessary and integral part of your University education. They are the foundation on which each and every major is built, and have been specifically designed to provide exposure to current thinking and scholarship. Students’ success in the global socio-economic climate will be determined by the ability to research, analyze, and apply universally accepted principles in areas beyond those learned in their majors. These courses serve as the stepping stones to a lifetime of growth; personally, professionally and academically.

UNIT REQUIREMENTS

51 total units, including:

- 9 units upper division taken as a junior or senior
- 9 units in residence at CSUF
- 3 units in cultural diversity (courses marked with an asterisk *)
- Limited to either 9 units or 3 courses from a single department, excluding courses in GE Area A, Core Competencies and Area C4, Origins of World Civilizations - see UPS 411.202
- Each course counts in only one GE Area, except those meeting Area Z, Cultural Diversity

ACADEMIC STANDARDS

- Letter grade required
- “C-” (1.7) or better in Areas A1, A2, A3, and B4. A grade of D+ (1.3) is not sufficient to fulfill these requirements. A grade of “D” (1.0) or better is required to satisfy ALL other GE requirements (a grade of “D minus” (.7) is not a passing grade.
- CR/NC allowed if it is the only grade option available

IMPORTANT INFORMATION FOR POLITICAL SCIENCE AND CRIMINAL JUSTICE MAJORS:

Political Science 320 and Criminal Justice 320 are the same class and may not be used by these majors for GE requirements.

IMPORTANT INFORMATION FOR ENGINEERING, COMPUTER SCIENCE, BS IN CHEMISTRY AND ENTRY LEVEL BS IN NURSING MAJORS:

There are GE variations for the above-mentioned majors. Please visit Academic Advisement to review the specific GE curriculum and your major advisor for major requirements.

Cancelled classes will be deleted from the online class schedule and any student enrolled in a class which must be cancelled will receive an email notification at his/her CSUF email address.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Pending/Anticipated aid must be enough to cover all tuition and fees. If pending/anticipated aid is not enough, students will be required to pay the difference to avoid disenrollment from all classes.

IMPORTANT!

- Payments made online via the web are due by 11:30 PM on the due dates given by Titan Online (Web registration). In-person and mail-in payments are due by 5:00 PM on the date given by Titan Online after registering.
- The University is not responsible for delays in the US Postal Service: postmarks are not considered.
- If you have decided not to attend CSUF for the current semester, please contact Admissions and Records to ensure that you are formally withdrawn from the University and no registration fees remain on your account. You are responsible for dropping all your classes in the event you are not disenrolled.
- You will not receive an invoice for your registration fees. To ensure your fees are paid on time and to avoid disenrollment, please check both your financial aid application status and your student account regularly by logging into Titan Online via your student portal (http://www.fullerton.edu) and click on your Titan Online “Student Center”. Select “Account Inquiry” to view any current balances due.
- If you switch from part-time (0-6 units) to full-time (7+ units), you must pay your additional fees by the due date. If payment in full is not received, all of your classes are subject to disenrollment.
- If your financial aid consists of loan funds, you must formally accept a Direct Loan before it can be included in the anticipated aid. In addition, new borrowers must fill out an on-line Master Promissory Note and go through an on-line loan entrance counseling.
- If you decline your loan and do not have other forms of financial aid, you are responsible for fee payment at the time you register.
- If you are disenrolled for non-payment, waitlisted students will fill your space in the class and there is no guarantee that space will be available in classes that were dropped.
- Students who register on/after the first day of instruction for any term will be assessed a $25.00 Late Registration Fee.
- For University refund policies and procedures, please go to sfs.fullerton.edu.

STUDENTS RECEIVING FINANCIAL AID

If you have applied for financial aid, you may be eligible to postpone payment of your registration fees until your financial aid is disbursed at the beginning of the semester. To qualify for postponement of fee payment, you must meet the condition below:

1. You have accepted a financial aid award at the time you register for classes and you have enough anticipated aid to cover your tuition and fees:
   - Most grant funds are automatically accepted on your behalf. Therefore, if State University Grant (SUG), Education Opportunity Grant (EOP), Cal Grant A or B, Federal Pell Grant, or Federal Supplemental Educational Opportunity Grant (FSEOG) are accepted on your account, your fee payment will be postponed and deducted automatically from disbursement.
   - You must formally accept a loan in order for it to qualify you
for postponement of your fee payment. If you have been offered a Federal Stafford Loan or Federal Perkins Loan or Dream Loan, go to Titan Online and “View Financial Aid.” Click on the “Accept/Decline Awards” link and follow the instructions to accept the loan. The “Account Inquiry” page in Titan Online displays your fee charges and any pending financial aid. If you do not have enough pending financial aid available to offset your charges in full, you must pay the balance.

STUDENT RESPONSIBILITY FOR PAYMENT OF FEES

You are responsible for payment of your registration fees. If your financial aid award becomes unavailable for ANY reason or is insufficient to pay for fees as initially anticipated, you must pay the balance immediately upon notification. It is your responsibility to ensure that registration and tuition fees are paid in full. Check your student account regularly by logging into Titan Online via your student portal (fullerton.edu) and click on “Student Center”.

Select “Account Inquiry” to view any current balances due.

WITHDRAWAL ‘W’ GRADES

If you drop one or more courses after grant aid was disbursed to you or applied to your university account, you may be billed for some or all of the aid. Visit the Office of Financial Aid to determine how much you would be required to repay. If you receive financial aid and you completely withdraw from the university, we will calculate the amount of Federal financial aid you “earned” based on the number of days you were enrolled. You may be required to repay a portion of the funds you received. In addition, the university may be required to refund a portion of tuition and fees to one or more federal aid programs. For further information, contact the Office of Financial Aid at 657-278-3125.

STUDENTS RECEIVING FEE ASSISTANCE

Applications and requests must be submitted according to program guidelines.

THIRD PARTY CONTRACTS/SPONSORED STUDENTS

If a government agency, embassy or other organization will pay your registration and tuition fees, you must submit a current letter of financial guarantee to Student Financial Services (UH-180) at least five business days prior to your TITAN registration appointment. If this letter is not received prior to your registration appointment, you are responsible for paying your registration and tuition fees and may be subject to disenrollment if your payment is not received by the deadlines specified above.

STATE REHABILITATION

Contact the Disabled Student Services Office (UH-101) if you need assistance with registration.

Please review “How Waitlisting Works” and “Waitlist Restrictions” on the following Registration pages.

TITAN ONLINE REGISTRATION INSTRUCTIONS

REQUIREMENTS

Check Titan Online for your registration appointment date/time and for any holds on your record. All holds must be cleared three business days prior to your TITAN registration appointment. You will access registration via your student portal.

MAXIMUM UNITS

University Limitation

Undergraduates are limited to a maximum of 16 units during TITAN registration. Classified graduate students not in a Credential Program are limited to 12 units during early registration. Credential students are limited to 19 units.

TITAN PIN

A “one-time use” Personal Identification Number (PIN) is assigned to you, which is a 6-digit number. After accessing your Student Portal with the PIN, you will be asked to create a password. This password will be used for Student Portal access including registration throughout your enrollment at CSUF. If you need assistance with your username or password, select the “need help signing in?” link immediately below the “sign in” button on the CSUF Portal Sign In webpage.

TITAN APPOINTMENT

Appointment dates and times for registration are based on class level and on units earned for all participants. The date indicated on Titan Online represents the first date you can access Titan Online to enroll in classes. If you attempt to register before your assigned date and time, you will not be granted access.
HOLDS
Any holds will be listed on Titan Online Student Center. All holds must be cleared three business days prior to your TITAN registration appointment.

CANCELLLED CLASSES
If a class for which you have registered is cancelled by the department, you will receive an email notification at your CSUF email address. You may attempt to add another class during TITAN registration on or after your appointment time.

GRADING OPTION CHANGES
If grading for a course is listed as "Undergraduate Student Option", the course can be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. Grade option changes can be made online through approximately the second week of classes. The deadline is published on page 2 of the Registration Guide.

COURSE PREREQUISITES
Some courses have course prerequisites (see Class Notes in the online class schedule) which, if not met, will result in your being unable to register for the course or being dropped by the instructor.

COURSE COREQUISITES
Some courses have course corequisites (see Class Notes in the online class schedule). You must register for the corresponding corequisite during the same registration transaction. Failure to do so may result in your being disenrolled from the course.

TEST SCORE PREREQUISITES
Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course. Refer to the Placement Examinations section of this registration guide.

REGISTRAR CLASS (REG 999)
Students unable to enroll in any classes because they are closed may enroll in the Registrar Class (REG 999) (see online class schedule for 5-digit course number). Students thus become officially registered and pay minimum fees by their payment due date, thereby avoiding the $25 late registration fee that goes into effect as of the first day of class. This is a temporary device to enable students to add classes later during the registration period, if classes are available then or to wait for decisions on admissions into specific courses.

You must withdraw from REG 999 to add other courses. If you are unable to add other courses, you are required to withdraw. Any student who does not add a regular course or withdraw with a refund will be administratively withdrawn from the university.

DISABLED STUDENTS
Contact the Disabled Students Services Office (UH-101) if you need assistance with registration. For additional information, call 657-278-3117.

WAITLISTING
Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the waitlist. As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist.

How Waitlisting Works
- Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
- The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.
- You can waitlist for a maximum of 8 units, provided that each course's waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)
- You must meet any prerequisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
- Students cannot waitlist the same lecture section or the same lab section more than once.
- If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
- Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
- If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
- If you are moved from the waitlist into the class, you will receive an email notification.
- If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections.
- You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation due to a newly added class(es).
- If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record, which will lower your grade point average.
- There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
- The online waitlisting feature will cease to function with the end of the first week of class, but the waitlist will be retained for informational purposes for the instructor.
- Faculty may control access to “closed” classes starting with the first day of class according to academic department procedures.
- Enrollment from waitlist will exceed student's maximum unit limit for the term. Unit limits are viewable in the Student Center under enrollment details.
Waitlist Restrictions

Students will be moved from the waitlist into the class if space becomes available and in the order placed, unless any of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.
2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for any of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class. Check your schedule regularly in your Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.

TITAN Scheduler

Students can now plan their schedule from anywhere with TITAN Scheduler! Students will be able to find the best schedule with streamlined class searches, visual schedule previewing, side by side comparisons and flexibility around planned breaks. Students can bring multiple schedules up side-by-side and compare options. The schedule planner provides a “Breaks” feature to allow students to block off times they are unable to take class, such as for jobs or athletics. Advisors can now focus on which courses students need to take, rather than the individual times in which to take them, alleviating advisors of tedious scheduling for students. There is a video tutorial in Titan Online as well as additional “help” resources available within TITAN Scheduler. Please note that class schedule information will be available in Titan Scheduler when the schedule is formally released to the campus and will not be available prior to that. Students need to simply access the TITAN Scheduler link from their Portal to begin optimizing their schedule today!
"Minicourses" are generally five weeks long and offered during four sessions throughout the semester. "Shortcourses" can last anywhere from two days to several weeks, but are shorter in length than the semester and generally within the semester dates. Course meeting information is listed with the departmental class offerings, under "dates". Shortcourses are not listed below, because many of these courses are for a select group of students and are usually held at off-campus locations. If you are enrolled in a shortcourse, check with the department offering the course for information about deadlines.

Although some of the classes listed start on dates that are later in the semester, students should pre-register, during TITAN registration. Not enrolling early may cause a class to be cancelled due to low enrollment. Students who register, add or drop these courses after the semester begins must follow the published procedures in this schedule. Deadline information is available by selecting the calendar icon in front of the course listed in your schedule in the Student Center. Forms and/or information needed to complete the process may be obtained from the Admissions and Records Service Center, located in LH-114. Information is also available by calling the Admissions and Records Helpline at 657-278-7601.

### Adding a Class

**Step 1:**
On the Add tab, select a registration term.

Then click **Continue**.

If only one term is available to you for registration, you will not see this page and will be taken directly to step 2 below.

**Step 2:**
If you know the class number (i.e. 10004) you wish to add, enter it in the **Enter Class Nbr** field and then click **Enter**.

To search for classes, click **Search**.
**Step 2a:**
Enter at least two search criteria when searching for a class.

On this initial search page you can search by:
- Subject
- Course number
- Course Career

Place a check mark next to **Show Open Classes Only** if you wish to view only open classes.

Click **Search**.

View the section of this guide on Refining Your Class Search to learn more about the **Additional Search Criteria** section.

**Step 2b:**
The **Status** field will indicate the status of the class:
- Open (امجد)
- Closed (صيده)
- Wait List (صيده)

Select the class you want to add by clicking **Select Class**.
### Step 3:
For some classes, you can set your enrollment preferences such as taking a class for a letter grade or for credit/no credit or being added to a wait list if the class is full.

Confirm your enrollment by clicking on Next.
**Step 3a: Enrollment Options:**

Some classes require a permission number in order to enroll, and if so, a row called “Permission Nbr” will appear where you must enter the permission number provided to you by the department in order to enroll.

Some classes offer a choice in grading option, and if so, there will be an arrow in the listed grading option and you may select a different grading option using that pull-down list at the time of enrollment. You could also change the grading option later using the “Edit” function.

Some classes offer a choice in the number of units, and if so, there will be an arrow in the listed number of units and you may select a different number of units using that pull-down list at the time of enrollment. You could also change the number of units later using the “Edit” function.
**Step 4:**
A confirmation message will indicate the class has been added to your Shopping Cart.

To finish your enrollment, click **Proceed To Step 2 Of 3**.

Rather than enrolling in one class at a time, you could continue adding classes to your shopping cart until you are ready to "checkout" by proceeding to step 2 of 3.

**Step 5:**
Review the course(s) you are enrolling in.

Click **Finish Enrolling** to complete your enrollment.
### Processing Steps

**Step 6:**
If the class(es) are successfully added, your enrollment will be confirmed.

If there were problems with the enrollment in any of the classes you were attempting to add, those will also be listed along with the reason that enrollment was unsuccessful. Possible reasons an enrollment could be unsuccessful include: no seats remaining in the class, you have a registration hold, the class required permission, you did not meet the class requisites, etc.

#### ADDING CLASSES — PROCEDURES AND DEADLINES

<table>
<thead>
<tr>
<th>Event</th>
<th>Dates</th>
</tr>
</thead>
</table>
| First week of classes  
*All classes must be added through Titan Online.*  
For restricted classes, an electronic permit must be placed in the registration system by the department. After the permit is placed, students must complete the registration process through TITAN, by midnight on Tuesday, September 6.  
Last day students will be enrolled from waitlist, August 28. | August 20-28 |
| Second week of classes  
*All classes must be added through Titan Online.*  
To register for classes (except classes offered at Irvine), an electronic permit must be placed in the registration system by the department. To obtain a permit, you must secure the consent of the instructor. Depending on the department, the request to place the permit may happen in one of two ways. Either the instructor will notify department staff to place the permit or students may be given a permission slip to present to department staff personally. After the permit is placed, students must complete the registration process through Titan Online, by 12 midnight on September 6. It is highly advisable to complete the on-line add process as soon as the permit is issued.  
All permits issued during week two will expire at midnight on September 6. You may add a class as an auditor or change your grade option to audit by obtaining the signature of the instructor on a Change of Program form and returning it to the Admissions and Records Service Center in LH-114.  
Grade option changes to credit/no credit or a letter grade may be accomplished by visiting the Admissions and Records Service Center in LH-114 and do not require the signature of the instructor. | August 29 - September 6 |
| Third and Fourth week of classes  
*Add period over.*  
Students may add classes late due to personal emergencies (documentation required) or specified university exceptions (course-dependent, see the department). An approved Petition for Late Addition of Classes form must be submitted to the Admission and Records Service Center. The signatures of the instructor, Department Chair and the Dean are required. If approved, a $20 late add fee will be assessed.  
*Note: Petitions for Late Addition of Classes are no longer accepted after September 19.* | September 7-19 |

<td><strong>Withdrawal Period (“W” drop)</strong></td>
<td>September 20 - November 10</td>

<tr>
<td>Authorization to withdraw after the second week of classes shall be granted for only the most serious and compelling reasons, e.g. a documented physical, medical, emotional or other condition which has the effect of limiting the student's full participation in the class. Poor academic performance, e.g. lack of effort or poor attendance, is not evidence of a serious reason for withdrawal. Signatures of the instructor and department chair are required for each course from which you withdraw. The Associate Dean’s signature is also required for withdrawal from classes in the colleges of Business or Engineering and Computer Science. (Required signatures are noted on the “Request for Withdrawal” form.) Submit the approved Withdrawal Form to the Admissions and Records Service Center in Langsdorf Hall (LH-114).</td>

<td>November 11 - December 9</td>

<tr>
<td>Complete withdrawal may be allowed during the final three weeks of instruction only in cases of documented accident or serious illness where assignment of an Incomplete is not practicable. The student or his/her proxy must submit detailed medical documentation and Petition for Emergency Medical Withdrawal to the University Registrar (LH-101) for approval. The student should first attempt to receive Incompletes (I grades) with his/her instructors prior to applying for an emergency medical withdrawal, in order to salvage credit for the time and money invested in the courses up to that point. In such cases, state regulations do not permit a refund of fees to be considered.</td>

CALIFORNIA STATE UNIVERSITY
IMMUNIZATION REQUIREMENTS

By direction of the California State University Chancellor, the following immunization requirements must be completed by the end of a student’s first semester. Students will be unable to register for a class for their second semester until both requirements are met.

Students who have graduated from a California High School in 2005 or later have fulfilled both requirements.

- **Measles and Rubella**: All students must show proof of immunization against Measles and Rubella if they were born after January 1, 1957.
- **Hepatitis B**: Students under the age of 19 on the census date must show proof of immunization against Hepatitis B (Census date is 4 weeks after the beginning of the semester).

MEETING THE REQUIREMENT
To fulfill the requirement, a student must do one of the following:

- Bring in written proof of immunization from a doctor, clinic, military record or school record to the Student Health and Counseling Center or fax it with your name, phone number and Campus Wide Identification (CWID) number to 657-278-3069.
- Obtain the vaccination from your private medical office or the County of Orange Health Care Agency or the Student Health and Counseling Center (SHCC). To receive the vaccination at SHCC, schedule an appointment. There is a fee. To inquire about the fees, please call 657-278-2800. Appointments may also be scheduled online on Titan Health. During registration there is a high demand for vaccination, so please plan accordingly.
- Obtain lab test for immunity if you think you have had the disease or the immunization but do not have proof (Titer). This can be done by your personal physician or at the SHCC for a fee.

Immunization Waivers
Permanent or temporary waivers may be granted to some students after appropriate approval:

- If you are pregnant or think you may be pregnant, provide a signed doctor/clinic note with your expected due date and complete a temporary waiver form.
- For an allergy to egg, feathers, gelatin or neomycin, complete a waiver form.
- For other medical reasons, make an appointment with a SHCC provider or provide a signed note from your private physician/clinic and complete a waiver form.
- For religious, personal or philosophical reasons, complete a waiver form.
